Approved used trucks with Volvo Driveline-Pro Warranty

VOLVO APPROVED

A Volvo Approved used truck has been identified from our stock as being of very good quality. When you choose to buy a Volvo Approved used truck it will come with a market-leading 12-months / 180,000 km* Volvo Driveline-Pro Warranty included in the price.

This, together with a comprehensive inspection and pre delivery preparation, means that you have made a safe choice when opting to purchase a used vehicle. In essence the vehicle will be in a good condition when you take ownership and ready to deliver trusted service for many years.

Features

- 12 months Manufacturer's Driveline-Pro Warranty
- Option available to extend warranty to 24 month
- Intermediate inspection
- 200 point inspection
- Full cosmetic check
- Minimum 3 month MOT
- Minimum 5mm uncut tyres
- Tacho calibration
- Spare key
- Professional valet

*Whichever comes first.

AN EXCELLENT CHOICE

- Good quality trucks with limited age and mileage
- A safe purchase thanks to the 12-months / 180,000 km* Volvo Driveline-Pro Warranty and pre delivery preparation
- A superior service with complete documentation and our comprehensive dealer network

Volvo Trucks. Driving Progress

Items covered under your Volvo Used Trucks Driveline-Pro Warranty for greater peace of mind.

The Volvo Used Trucks Driveline-Pro Warranty covers you for sudden and unforeseen failure of specific parts or components, it does not cover fair wear and tear. This policy is not transferable. **Mileage limits are 180,000km for 12 months, 360,000km for 24 months and 540,000km for 36 months. The 36 month Approved warranty is capped at a maximum mileage of 1,200,000km.**

Engine and cooling system

- Cylinder head and block
- Cylinder liner and seals
- Pistons
- Crank mechanism
- Connecting rods and bearings
- Camshaft
- Valve mechanism and valve cover
- Timing mechanism
- Oil pump and oil cooler
- Engine sump
- Fuel pump
- Injection pump
- Unit injectors and injector sleeves
- Inlet and exhaust manifolds
- Turbo charger (including turbo compound)
- Volvo engine brake / exhaust brake
- Coolant pump
- Cooling fan
- Expansion tank
- Radiator
- Intercooler
- Air conditioning condenser
- Engine ECU
- Flywheel housing
- PTO housing (engine)
- LNG

EXCLUDING all other parts associated with the engine including mountings, sensors, seals and wiring looms. (Please note damage caused by fuel contamination is excluded).

Clutch

- Clutch friction plate
- Clutch pressure plate
- Clutch release cylinder
- Clutch release bearing
- Clutch release cylinder PWM valve

EXCLUDING all other parts associated with the clutch including external linkages, sensors, seals and wiring looms.

NOTE: As with all components covered under this warranty, it is for sudden and unforeseen failure only. It does not cover fair wear and tear.

Transmission

- Gearbox casing
- Selector forks and shafts
- Synchronising parts
- Gears, bearings and shafts
- Oil pump and oil cooler
- Gear selector and ECU
- Axle brake assembly

EXCLUDING all other parts associated with the transmission including clutch, clutch release bearing, external linkages, sensors, seals and wiring looms.

Drive unit

- Drive shafts
- Differential unit gears
- Propshaft/support bearing
- Hub reduction gears
- Differential lock gear/selector
- Differential unit casing

EXCLUDING all other parts associated with the drive unit including external linkages, solenoids, electrics, sensors, seals and wiring looms.

Steering

- Steering pump / pipe work
- Steering box

EXCLUDING all external linkages, joints, rubber boots, gaiters and external oil leaks.

Braking system

- Compressor
- Compressor clutch
- Brake ABS/EBS control unit
- Air dryer
- Air production modulator
- Engine brake valve
- Brake calipers
- Valves and valve blocks
- Brake chambers
- EBS system inc. control unit and speed sensors

EXCLUDING all other parts associated with the braking system including brake pad wear sensors and wiring looms.

Electrical

- Starter motor
- Alternator
- Wiper motor
- Relays
- Vehicle ECU
- Vehicle master control unit
- Human-machine interface control unit
- Night heater
- Light control module / FCIOM / CCIOM / RCIOM
- Instrument cluster
- Tachograph head
- Accelerator potentiometer
- Cruise control
- Heater motor
- DACU

EXCLUDING all other parts associated with the electrical system including lighting systems, direction indicator stalk, wiring looms, fuse boxes, gauges and sensors.

Emissions after-treatment

- AdBlue piping and hoses
- AdBlue tank and mounting
- EGR cooler
- Exhaust silencer
- Particulate filter*
- Control unit
- Pump unit
- Dosage valve/injector
- NOx sensor
- Temperature sensor
- Pressure sensor

EXCLUDING damage or premature failure caused by contaminants in the AdBlue system. All other parts associated with the EAT system including gaskets, seals and wiring looms.

NOTE: *The particulate filter is covered for sudden and unforeseen failure only. Normal wear and tear, premature clogging or replacement as part of regular maintenance is not covered. Only VDS4 and VDS 4.5 oils are permitted in Euro VI engines. Other oils can cause premature diesel particulate filter clogging and may result in claims being rejected. Damage or premature failure as a result of using AdBlue which does not comply with ISO 22241 may result in claims being rejected.
